

About Our Online Exhibit for *Imagine That!*

NEW!!! ONLINE Exhibit Planned - Digital Photos Needed

For 2012, we are planning to exhibit all work online and for sale. Accepted artists will, of course, be able to opt out of this part of the show. If you want to be in the show, if at all possible, take photographs - digital images of your submitted work - which can be emailed to us, once you are accepted into the show. If you are unable to take pictures of your work, we can do so, but you will have less control over the online appearance of your work.

Best photographs are taken before the work is behind glass.

Digital images should be:

- Saved as jpeg files, image quality 10 or higher
- RGB color
- No less than 800 x 600 pixels, no greater than 1024 x 768 pixels

You do not have to submit the digital photos for entry into our show and you do not have to agree to be exhibited online to be accepted into the show. This is our first time with online exhibiting. However, we had a successful experience with our Online Silent Auction this past September, and want to offer you the opportunity for wider viewing of your work.

- The Monson Arts Council will sell the work and accept the 20% commission for the sale. The work must still be picked up at the House of Art by the buyer, or delivered to the buyer by the artist. We can also provide a mailing service, which will be billed to the buyer.
