Don't Forget to Pay Your Membership Dues!

Be a supporter of the arts in your community.
Just look at what the MAC has done in 2008!

- Spring Art Show "The Dance of Texture, Light & Color"
- Spring Production "I Hate Hamlet"
- Jazz at the House of Art
- How to Put on a Successful Play workshop
- Summerfest Art Show
- Summer Art Camp
- Funding of Diversity Mural Project
- Fall Production "The Music Man"
- Holiday Craft Fair
- Artists' Holiday Galleries at the House of Art

By being a MAC member you can support fantastic programs, such as those listed above. Also, the Monson Arts Council is always looking for volunteers to help plan and participate in any of their events.

See the Membership Form on the back of this Newsletter or now you can join ON-LINE (SEE BELOW).

The Monson Arts Council is pleased to announce that we are now integrating **PayPal** payment services into our website. PayPal is a very popular and convenient way to make payments for goods or services online, using your credit card, directly over the internet. Ebay users have been familiar with PayPal for years, and thousands of reputable businesses worldwide employ PayPal.

On our site, PayPal will never entirely replace plain old cash, check or money order - it's simply another option we are offering that can allow you to pay your membership dues with a credit card, an option we could never offer before. New members may also sign up with a credit card via PayPal, and people may even make donations to the MAC online with their credit card. The

possibilities are only limited by our imagination and the requests of our web-site users. In the future, you may even be able to purchase tickets to events online! We have also established some new features in the website to increase the convenience to artists presenting their work for consideration in our art shows. More on this in our March newsletter.

We will continue to expand the range of options we provide that will allow you the greatest flexibility, choice and convenience in working with us and enjoying the many things we have to offer. David Xanatos, our webmaster, spearheads these tasks and is available to answer any questions you have in using the website. If you would like to know more, or make a suggestion as to how we could improve our services or website, please
